Sasrapid Transition Project

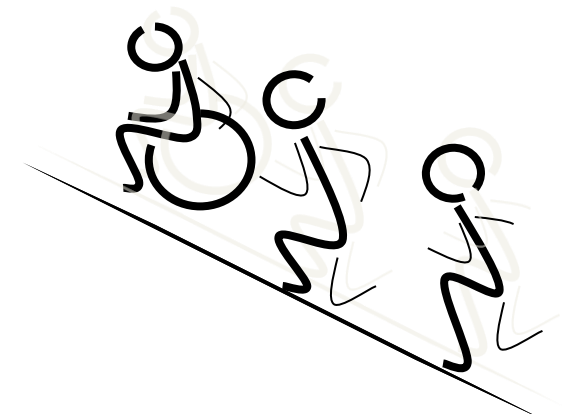

*Assisting South Australians living
with disability transition into
community based sport and
active recreation programs*

The Transition Project is proudly supported by:

Government of South Australia
Office for Recreation and Sport

What is it?

The Sasrapid Transition Project will assist South Australians with the potential to transition from disability programs/ schools/ employment to open community based sport and active recreation programs.

What is the process?

Identify candidates

Meet with candidate

Speak with the sport program of their choice to discuss options

Develop

"My Transition Plan"

Meet with persons involved in the program

Participant begins activity (Accompanied by TPO)

Monitoring of progression

Review (Feedback and visits)

Aims of the project:

- Provide people living with disability with a choice
- Help access the network at a local/state/national level
- Provide the link to community based programs

Your Transition Plan:

Your Transition Plan will consist of:

- Becoming an Active Member of Sasrapid to receive numerous benefits
- Working with a Transition Project Officer to develop personal goals
- Assistance at your chosen activity up to three sessions
 - Regular phone, written and face to face communication
 - Support to the club/program involved

Expected Outcomes:

- Provide much needed support to people living with disability by ensuring a smooth transition into community based programs where they can continue their chosen sport/ recreation activity(s)
- Ongoing and direct support to the Clubs/ programs involved
- An increase in active participation amongst community members which will benefit their quality of life by increasing their health and lifestyle
- To assist people living with disability achieve their potential
