Fundraising:

We would love if each participant could aim to raise at least \$50 to help make sport and recreation inclusive for everyone. It might sound high, but if you ask just 5 people for \$10 each you've reached your first goal...plus there will be a prize for the highest fundraiser!

To get started head to www.everydayhero.com.au and click on the "Start Here" button. Fill in the details required and when appropriate ensure you select Sunday Mail City-Bay Fun Run as your event and choose "Inclusive Sport SA" as your charity of choice. You will be creating your very own fundraising page which you can then upload to Facebook or email to your friends, family and work mates asking them to sponsor. Alternatively, Everyday Hero will send an email upon registration. If you would prefer to fundraise offline this method is also possible, however you will need approval and the required form to do so.

Terms and Conditions:

The City-Bay Indemnity Form (available at www.city-bay.org.au) does not need to be completed as your registration is taken as acceptance. City to Bay collects your information for the purpose of conducting the event, including identifying participants, recording results and communicating with you about this or other events. You consent to City-Bay disclosing your personal information to Athletics Australia Ltd for the purpose of administering the Athletics Australia Running Australia program. You acknowledge and agree that in administering the Running Australia program, your information will be used to register you as a recreational running member of Athletics South Australia.
